ONE IS KILLED, TWENTY HURT AT LAUNCHING

Aircraft Carrier Thunders Down Ways Unexpectedly Before Ceremony

SHIP GIVEN NAME DESPITE ACCIDENT

BELFAST, Northern Ireland, Aug. 17 (CP).—The run-away launching of Great Britain's newest aircraft carrier, 23,000-ton Formidable, killed one woman and injured twenty spectators or workmen today with a shower of timbers and iron bolts from her broken cradle.

Formidable, one of seven aircraft carriers ordered by the Admiralty under its rearmament programme, thundered down the slipway just as Lady Wood, wife of Air Secretary Sir Kingsley Wood, reached the platform. Darting forward, Lady Wood broke the bottle of christening wine and briefly named the vessel.

LEAP TO SAFETY
Hundreds of dockyard laborers under the keel, warned by the screech of splitting lumber, leaped to safety as the 753-foot ship tore her own path above them.

Fragments of the cradle, blocks of wood used to support the ship's hull, and iron nuts, bolts and pieces of steel were flung into the crowds around the slipway.

Flying fragments killed Mrs. Isabel Kirk, wife of a shipyard employee. The vessel probably will be dry-docked for inspection before the task of completing her is resumed.

CONFIDENT OF STRENGTH
Following the hurried naming ceremony, Sir Kingsley declared in a speech that Great Britain would "never yield to the forces of aggression."

"We can go forward in complete confidence in our own strength," he said.

The Royal Navy is "still our sure Continued on Page 3, Column 6

GOVERNOR SEES PEACE COUNTRY

Lord Tweedsmuir Stops to Place Wreath on Cenotaph at Sexsmith

GRANDE PRAIRIE, Alta., Aug. 17 (CP).—Greeted by 1,000 cheering Northern residents, the Governor-General and Lady Tweedsmuir came to Grande Prairie today on their tour of the Peace River country of Alberta and British Columbia.

Their Excellencies arrived here from Spirit River and made a motor trip through the district en route to Beaver Lodge before heading on by car to Dawson Creek, B.C. En route to Dawson Creek they are expected to visit some of the 500 refugees from Czechoslovakia who have settled in the Tupper Creek district.

STOPS AT SEXSMITH
An unscheduled stop was made by the viceregal party at Sexsmith, where His Excellency left his train and placed a wreath on the Cenotaph. A group of Canadian Legion members formed a guard of honor.

Day and in the best of health. His Excellency was welcomed here by civic officials and chatted with several during the informal presentation. A bouquet of flowers were presented to Lady Tweedsmuir on behalf of the Women's Institute.

The hour stop at Grande Prairie ended when their Excellencies and other members of the viceregal party left by automobile for Beaver Lodge where they will be the Dominion experimental substation. The party is scheduled to spend tonight at Dawson Creek.

Island Woman in Motor Collision

SALEM, Ore., Aug. 17 (AP).—Mrs. Annie O'Connell, fifty-five, Lake Cowichan, B.C., was taken to a Salem hospital, suffering from shock tonight, after a car driven by Isaac High, of Lake Cowichan, tipped over in a collision three miles north of here on the Pacific Highway.

Mrs. High and a small daughter received minor cuts.

PARKS DRAW BIG CROWDS

Tourist Travel to Banff and Jasper Shows Increase Over Last Year

OTTAWA, Aug. 17 (CP).—Tourist travel to Canada's national parks is showing a marked increase this year, according to figures issued today by the Department of Mines and Resources for the four months ended July 31.

Banff National Park showed an increase of more than 30 per cent in motor travelers in that period, with 91,550 motor visitors in the last four months compared to 69,292 in the same period a year ago.

Jasper National Park, with 11,480 visitors, showed a gain of 1,440. Kootenay and Yoho National Parks also had increases, with 14,006 and 3,276 tourist registrations, respectively. A new high of 57,802 visitors was recorded at Watkins Lake National Park, compared to 42,833 in 1938. Buffalo National Park, Alberta, had 15,202 visitors, an increase of 9,349 visitors.

RIDING MOUNTAIN PARK

On the Prairies, Riding Mountain National Park set a new record with 75,449 visitors in the period, 3,841 more than last year. Attendance at Prince Albert Park in Saskatchewan was maintained.

Increasing popularity of the national parks as vacation areas is attributed by the department to steadily improving park facilities for tourists and improvement in roads leading to the parks.

The Banff-Jasper Highway, for example, is almost completed, studded with camp sites. In Jasper National Park the bungalow camp at Miette Hot Springs has been enlarged to accommodate growing numbers of visitors intent on bathing in the naturally hot sulphur springs.

Dane Is Shot In Shanghai Settlement

SHANGHAI, Aug. 18 (AP).—Chinese gunmen today invaded a western residential district of the International Settlement, largely inhabited by Americans, and killed H. P. Kroug, a Dane.

Kroug, thirty-nine, an employee of the Great Northern Telegraph Company, recently was accused by the Japanese-controlled government of putting down one of its flags in the border settlement. He was shot as he left his home.

Council Refuses to Set Up Commission To Conduct Inquiry

Vancouver Aldermen Express Confidence in Police Board and Reject Independent Probe of Mayor's Charges Against Brigadier Foster

VANCOUVER, Aug. 17 (CP).—Vancouver Police Commission will consider at its next meeting, probably some time next week, what further action to take on Mayor Lyle Telford's charges of inefficiency against Chief Constable W. W. Foster.

Responsibility of investigating the charge was turned back to the commission today after a special meeting of the City Council passed a resolution expressing confidence in the commission and police force, and in the commission's competence "to handle any investigation they might consider necessary."

The council refused to appoint an independent commission to investigate the mayor's charges, chiefly on the grounds that it lacked sufficient information to determine if such a probe is necessary.

Whether the police commission will investigate the charges depends largely on Magistrate G. R. McQueen, member of the commission.

Conference Between Hungarian Foreign Minister and Hitler Aimed at Close Political Agreement—Acts of Alleged Terrorism Reported During Lull in German-Polish Dispute

BERLIN, Aug. 17 (AP).—Hitler received Count Stefan Baki, Hungarian Foreign Minister, at his Obersalzberg Mountain retreat today and semi-official sources hinted an agreement was being reached for Hungary's co-operation in case of war.

DIPLOMATS IN ROME ARE BUSY

Italian Foreign Minister Consults With Succession of Foreign Ambassadors

ROME, Aug. 17 (AP).—Diplomats conferred with Foreign Minister Galeazzo Ciano one after another tonight for an indication of Italy's attitude toward Poland. The Italian press took the view tension was increasing over Danzig.

As talks proceeded in rapid pace, Premier Mussolini studied military problems, and a decree was published that all Italian soldiers in Albania must remain there until further notice, even though their terms of service expire.

The British Ambassador, Sir Percy Loraine, called on Count Ciano at the Foreign Office this evening. He was followed by Hans George von Mackensen, the German Ambassador.

CONFERS WITH OTHERS
Count Ciano also talked briefly with the Polish Ambassador, General Boleslaw Wieniawa-Dlugoski, and the United States Ambassador, William Phillips at the seashore at Ostia.

Gaumnir Dapce, Polish Ambassador to the Holy See, also conferred with Luigi Cardinal Maglione, Papal Secretary of State.

The French Ambassador, Andre Francois-Poncet, is to call on Ciano tomorrow as is Ambassador Phillips, who desired a further talk.

British circles said Count Ciano manifested no alarm over the Danzig situation in his talk with his ambassador, but appeared optimistic.

ELECTRON GUN HELPS LANDING

New Lighting System Guides Planes Safely to Earth In Fog

PITTSBURGH, Aug. 17 (AP).—An aviation lighting engineer reported today the use of "electron gun" sodium vapor lamps with radio beams to guide airplanes to safe, easy three-point landings at night or in "dumpy" weather.

W. A. Pennow, of the Westinghouse Electric & Manufacturing Company, described the new system as a "combination of instrument and visual landing."

Green and white "incandescent" lights are used to mark boundaries of the runway at the beginning and end and the sodium vapor lamps illuminate the final glidepath of the planes, guided to the runway by the radio beams.

SEND OFF RAYS
The lights are set flush with the ground and send off rays at the angle of approach of an incoming plane. The system enables the pilot to land at conventional speeds. Pennow said, because from the moment he sees the first runway light he knows exactly how many feet he has in which to set his plane down.

Sodium vapor lamps, Pennow said, were selected because of their efficiency. The lamps shoot off electrons, invisible units of electricity and all matter, from a cathode or "firing chamber." The electrons bombard the sodium vapor and the resulting commotion produces energy in the form of soft yellow amber light.

ST. PAUL, Aug. 17 (AP).—Northwest Airlines today sought permission to open a new line to the East from Chicago to Toronto, and thence to New York City.

Tenants to Have Notice to Leave Postoffice Site

THE construction of Victoria's new Federal building will commence early in the new year, according to R. W. Mayhew, M.P., who returned to Victoria from Ottawa yesterday. Tenants of buildings on the southwest corner of Yates and Government Streets, where the new postoffice will stand, will shortly receive notices that they may continue to occupy the existing buildings only until January 10, by which time it is expected that contracts will be awarded for the demolition of the buildings and the erection of the new structure.

WITHHOLDING ITS CONSENT

League's Mandates Commission Does Not Approve Plan for Palestine

GENEVA, Aug. 17 (AP).—The League of Nations mandates commission today withheld approval of Great Britain's plan to make Palestine an independent Arab-Jewish state.

The commission's report was considered a first-round victory for the World Zionist Congress here in its fight for a Jewish national home in the Holy Land.

Reporting to the League of Nations council, the seven members of the mandates commission agreed unanimously that the new British policy put forth in the May 17 White Paper was a complete reversal of the usual interpretation of the British mandate.

CANNOT SANCTION
Four of the seven said flatly they could not sanction such a change in policy, involving limiting Jewish immigration to the Holy Land.

The other three, however, declared they considered the change justified by the Palestine situation.

Because of this split, the commission passed to the League council the incident occurred when Hungarian soldiers fired on the four Rumanians.

Details of the encounter were given Rumanian authorities by Sergeant Nicolai Chiosa, near death after being bayoneted by the Hungarians in the light. A medical orderly in the Rumanian group disappeared after the skirmish, and it was believed he had been taken over the frontier.

WARNING GIVEN BY FRENCHMAN

Bar Representative From Paris Has Grim Speech For Quebec Gathering

QUEBEC, Aug. 17 (CP).—A second grim warning from across the sea was delivered to the Canadian Bar Association tonight, when Maitre Jacques Charpentier, of Paris, representing the French Bar, said the day had arrived when the world had to decide whether it should be Germanized.

Last night the warning came from a Frenchman, tonight from a Frenchman. Last night, Lord Maugham, Lord Chancellor, told of Britain's determination to resist German domination of Europe.

M. Charpentier spoke in French and apologized for the somberness of his remarks, which were sandwiched among witty after-dinner speeches from Rt. Hon. Ernest Lapointe, Minister of Justice; Lord Maugham, and Frank Hogan, of Washington, representing the American Bar.

CANNOT BE GAY
"I would like to be gay," he said, "but every person coming from Europe tomorrow knows that tomorrow or any day he may be called back to see his home destroyed or his son mobilized."

"The day is at hand when the world must choose whether it shall be Germanized," said M. Charpentier. "It may be the end of August or the beginning of September. Let us pray to God it will not happen, but if it does, every man must make his choice."

There was no longer a great gap separating Canada from Europe. The Atlantic now was crossed by the return of hot weather to Vancouver forest districts after several showers and lower temperatures last week, was blamed for three new bush fires, most serious of which is near Squamish, at the head of Howe Sound.

Forest Blaze Raging North Of Courtenay

COURTENAY, Aug. 17.—Fire raging in fallen and bucked timber was discovered at 2 o'clock this afternoon about one mile west of Camp 3, Comox Logging Company, fifteen miles north of here. At 9 o'clock the fire had spread over 200 acres and was being fought by 150 employees of the company. A stiff northerly wind was blowing. The fire was in a section burned over last year.

Officials of the Comox Logging Company stated that the origin of the fire was mysterious, as operations there had been shut down for some time, and no one was allowed in the district.

TWO HUNDRED FRENCH BOMBING PLANES STAGE "RAIDS" OVER BRITISH INDUSTRIAL CENTRES

Thousands See Foreign Aircraft Over London, Manchester, Birmingham, Bristol and Liverpool—Morning and Afternoon Attacks Test Effectiveness of Air Defences in England

PARIS, Aug. 17 (CP-Havas).—More than 200 French bombing planes returned to France tonight after staging "raids" over Great Britain's industrial centres to test effectiveness of British air defences and give French flyers an opportunity to aim at foreign "targets." French Air Ministry officials pronounced the manoeuvres a success and said that they served to advance Anglo-French air co-operation.

Thousands of Britons saw the bombers fly over Liverpool, Bristol, Birmingham, Manchester, Oxford and London.

DEATH TAKES ARTHUR LEE

Prominent Real Estate Man And Church Leader Passed Away Yesterday

ARTHUR LEE, well-known Victoria real estate agent, and prominent United Church layman, died suddenly at 11:30 yesterday morning in St. Joseph's Hospital. He was taken to the hospital on Wednesday night, when he was stricken with a cerebral hemorrhage, and did not regain consciousness. He was seventy-four years of age.

Mr. Lee had appeared to be in his usual good state of health on Wednesday, when he had made a fishing trip to Brentwood.

Widely known in the city for his business and church connections, Mr. Lee is mourned by many friends and former associates. He had been a resident here for fifty years.

He was a native of Maidley, Shropshire, England, and came to Victoria from the Old Country in 1889.

He was head of the real estate firm of Lee & Fraser, formerly Lee & Parsons, and chairman of the board of trustees of Metropolitan United Church at the time of his death. He also headed the office of the president of the Protestant Orphanage for the current year.

PIONEER METHODIST
Mr. Lee was one of the few remaining members of Victoria's pioneer Methodist Church, which occupied the site now held by the Brackman-Ker Milling Company, on the corner of Pandora Avenue and Broad Street. He was on the church board which undertook the construction of the present Metropolitan United Church, and had served as an elder of that church for most of the time since its completion. For many years he was secretary of the board.

Downpour Is Heaviest in Many Years

WINNIPEG, Aug. 17 (CP).—Meteorological officials today thumbed record pages back to July, 1914, before they found precipitation figures to better those established by the wretched rains which drenched Winnipeg yesterday.

A total of 3.2 inches of rain fell during the day—heaviest since July 14, twenty-five years ago, when 5.26 inches of rain poured down during a six-hour storm. Yesterday's deluge came in two sections, one early in the day and the other during the afternoon.

REFUELED IN AIR
BOTWOOD, Nfld., Aug. 17 (CP).—Imperial Airways flying boat Cabot was refueled in mid-air today after taking off from Botwood for Foynes, Eire, first time the feat has been performed on this side of the Atlantic.

They have returned here.

Fire Danger Becomes Serious Once More In Forests of B.C.

Three New Bush Fires Blamed on Return of Hot Weather—New Blaze Reported Near Nelson

By The Canadian Press
FORESTRY officials reported last night (Thursday) forest fire conditions had become "grave" again as a result of existing dry conditions and hot weather throughout British Columbia.

The return of hot weather to Vancouver forest districts after several showers and lower temperatures last week, was blamed for three new bush fires, most serious of which is near Squamish, at the head of Howe Sound.

HAZARDOUS SITUATION
Officials in Cranbrook district described the situation as "hazardous" due to dry conditions. There has been no rain in the territory since July 13.

Nelson officials reported one new fire and stated heavy smoke was still drifting over the city. The temperature rose to 80.

Humidity remains "dangerously low" in the Okanagan and Kootenay districts, according to officials of the Dominion Meteorological Bureau at Victoria.

The Squamish fire which broke out on Wednesday on Stoltz Logging Company operations spread rapidly and now covers an area of forty acres.

BROADCASTERS TO CO-OPERATE

C.B.C. General Manager Announces Plan to Exchange Programmes With B.B.C.

NEW YORK, Aug. 17 (CP).—A "new co-operation" between Canadian and British Broadcasting Corporations was announced by Major W. E. Gladstone Murray, general manager of the C.B.C., on his arrival here today from London.

As a result of the "very valuable publicity" Canada received in the United Kingdom through the Royal visit, the Canadian Broadcasting Corporation will send an increasing number of radio programmes "of a national character" to British wireless listeners, Major Murray said.

Major Murray, who arrived aboard Pan-America's Dixie Clipper from an extended visit in Great Britain, where he conferred with British Broadcasting Company officials, said the B.B.C. will reciprocate with a series of programmes specially designed for Canadian interest. These programmes, of various character, will start in September.

NEW STATION NEEDED

The new plan eventually will require construction in Canada of a high-powered short wave station but for a beginning present transmission facilities will be adequate, Major Murray said.

Recruiting talent for new programmes will be another open new opportunity for Canadian entertainers, but for a start the C.B.C. will export its established programmes, he said.

TO SELECT SITE FOR OIL DRILLING

B.C. Minister of Mines Says Test To Be Under Way This Fall

CALGARY, Aug. 17 (CP).—The British Columbia Government will have at least one oil well under way this fall in the British Columbia Peace River block, west of Peace Coulee, as a start of its programme for a thorough test of the area, said Hon. W. J. Asseilaine, British Columbia Minister of Mines, here today.

Mr. Asseilaine said that he plans to leave Calgary for the Peace River district by plane tomorrow to meet his geological party for the purpose of spotting a location for the well.

Dr. G. S. Hume, head of the Federal geological survey, will accompany him, he said.

Flood Dangerous In New Zealand

WELLINGTON, N.Z., Aug. 17 (CP-Reuters).—Hundreds of lives were jeopardized tonight by floods in New Zealand's Manawatu River region, where the Manawatu and other rivers overflowed their banks as a result of heavy rains. In the Levin and Shannon areas, water invaded houses, and rescues were carried out by police in boats.

Sees Possibility of Fascism in Canada Within Few Years

Toronto Journalist Predicts Regional Fascist Regimes Arising From Assumption of Power Over Liberty and Power of Individuals

GENEVA PARK, LAKE COUCHICHING, Ont., Aug. 17 (C.P.).—Fascism in Canada within a few years, complete even to formation of an "axis" between Ontario and Quebec and with Ontario obtaining an outlet to the sea through a "corridor," was viewed as a possibility today by a Toronto journalist.

Addressing the eighth annual session of the Canadian Institute on Economics and Politics, B. K. Sandwell, editor of The Toronto Saturday Night, envisioned a "series of regional Fascist regimes and not a national system." These Fascist "states" probably would be under nominal sovereignty of the King.

These early stages of Fascism always are featured by efforts of Governments to assume the greatest possible power over the liberty and property of individuals, he said. They preached "government by men rather than laws" and were contemptuous of the institutions.

Premier of Nova Scotia Due From Vancouver Today

HON. A. L. Macdonald, Premier of Nova Scotia, seeing the West for the first time, is expected to arrive in Victoria by special train from Vancouver at 9:30 o'clock this morning, in company with Hon. C. D. Howe, Federal Minister of Transport, who is making a tour of inspection of national harbor and airport facilities. Premier Macdonald and Mr. Howe will be entertained at a private luncheon, and will fly back to Vancouver early in the afternoon.

He advised that some were ultra vives.

A step toward Fascism might be taken in the next Federal election, Mr. Sandwell suggested. The rise of Fascism in Germany and Italy was preceded by "paralysis" in the Legislature due to the presence of many conflicting groups. With a possible decline of old-line party representation and the advent of new "progressive" members from the West, the Dominion Parliament might see such a deadlock.

COUNCIL REFUSES TO SET UP COMMISSION

Continued from Page 1
with Mayor Telford and Judge A. M. Harper.

Magistrate McQueen said on Tuesday he did not wish to be connected with the probe lest he be considered biased in view of certain remarks he made regarding the situation which appeared recently in the press.

The magistrate appeared to adopt the same attitude when queried today, although Judge Harper expressed his willingness to sit. Mayor Telford told the council this morning that Magistrate McQueen's unwillingness to sit on a probe of police affairs was one reason why the police commission had been abandoned on Tuesday, when it was established that the mayor could not lay the charges against Brigadier Foster and then hear them in his capacity of commission chairman.

NO EVIDENCE PRESENTED
Mayor Telford said that no evidence whatsoever had yet been presented to the commission meeting in camera. He expressed his readiness to produce evidence substantiating his charges at any time.

A resolution which the commission passed on Tuesday recommending action by the council was not presented to the aldermen today. Records of the commission meeting are in the hands of S. J. Bowdler, commission secretary, who was absent and could not be located.

The council session opened with reading of a letter by Mayor Telford suggesting "this council form itself into a judicial or quasi-judicial body and proceed to hear such evidence as we possess, given under oath." As an alternative, the mayor recommended "the appointment of a properly constituted tribunal."

Corporation Counsel D. E. McTaggart, who had the first suggestion by ruling the council has no authority to conduct an inquiry, although it could gather information on the subject informally. He said the council has no power to administer oaths or summon witnesses.

MATTER FOR COMMISSION
Later he said that in his legal opinion the matter was one solely for the police commission. While the council might be within its rights, it was unusual for it to infringe on such matters as those concerning police administration.

Although insisting the charges against Brigadier Foster and members of his force must be "substantiated or cleared up," aldermen were loath to take any action until they were given enough information regarding the basis for the charges to determine if the expense of any inquiry was warranted.

Mayor Telford said the commission was not in possession of such information. The meeting was featured by two or three heated exchanges, notably between Mayor Telford and Alderman J. W. Cornett, who offered to resign his seat if the mayor would do the same and go to the polls in a two-man fight.

'FOOLISH' EXPENSE
Alderman Cornett said that expenses at the mayor's office had increased since Dr. Telford took office and declared the added expense of an inquiry would be "foolish."

Confidence in the integrity and ability of Judge Harper and Magistrate McQueen was expressed by nearly all the aldermen. Alderman Corey said he thought the mayor's charges were so general in nature they could not be directed against anyone, while Alderman John Bennett thought it "strange" the other police commissioners were "unconvinced" by the mayor's charges. Both Alderman Corey and Alderman H. D. Wilson asserted the charges against Brigadier Foster should be substantiated or dropped. Alderman Wilson accused the mayor of failing to complete inquiries into several matters instituted in the past, and said he should accept Alderman Cornett's challenge to an election fight if he could not substantiate his charges against the police force.

E. NICHOLSON SHARES LEAD

Esquimalt Marksman Tied With Hamilton Man in Feature Match

SOUTH MARCH, Ont., Aug. 17 (C.P.).—Sgt. N. L. Beckett, Hamilton, Ont., shot, and Pte. E. Nicholson, marksman from Esquimalt, B.C., today led 150 snipers into the final stage of the Governor-General Medal Match, feature event of the Dominion of Canada Rifle Association annual meeting.

Sgt. Beckett and Pte. Nicholson, posted scores of 103, two short of possible, to lead the field of some 300 Canadian veterans and young marksmen in the qualifying stage. The 150 snipers who qualified will shoot in the final stage Saturday, bringing the week-long meet to a close.

Sgt. Beckett posted two possibilities of 35 at the 200 and 600 yard ranges and a 33 at the 500 yards distance. Pte. Nicholson fired two possibilities at the 200 and 600 yard distances and a 33 at the 500 yard range.

Sgt. Beckett's possible at the longer range gave him first place over the British Columbia shot. Mrs. Gwen Spencer, Hethley, of Victoria, posted a possible last year to win the qualifying stage, first woman ever to perform the feat, but is not competing this year. Two women shots, Mrs. Jean Dunbar Raymont, of Victoria, and Mrs. J. Sangster, of Winnipeg, qualified today. Mrs. Raymont, competing in the D.C.E.A. for the first time, posted a 36 and Mrs. Sangster 37.

Mrs. Raymont fired a 33 at the 200 yard range, a 32 at the 500 yards and a 31 at the 600 yard distance. The British marksmen posted 101, including G.P.O. A. A. Betts, Victoria. Lieut. S. Linton, of Regina, led riflemen who posted scores of 100. Among others was Sgt. T. A. Jensen, Innisfail, Alta.

B.C. TEAM WINS
An eight-man British Columbia team today won over teams from seven other provinces in the London Merchants' Cup match, at the Dominion of Canada Rifle Association meet.

The Pacific Coast Province team scored 752 points of a possible 800. Its members were: Lieut. J. W. Blair, Vancouver; C.S.-M. L. C. Willoughby, Vancouver; Sgt. J. H. Regan, Victoria; Sgt. G. S. Carr, Victoria; Sgt. P. M. Gibault, Vancouver; and Bmdr. C. Rasmussen, Pte. E. Nicholson and Pte. H. Thorburn, of Esquimalt.

An Alberta team from Military District No. 13 today won the Jubilee Cup, awarded to the team making the highest aggregate score in the qualifying stage of the Governor-General's match. The Alberta team, composed of Lieut. S. Johnson, Calgary; Sgt. T. Jensen, Innisfail; Tpr. M. Ostergaard, Wayne; Tpr. J. Wilson, Innisfail; Cpl. F. Mercer, Calgary; Cpl. D. MacDonald, Calgary; Pte. H. Vulcan, and Pte. W. McNab, Calgary, scored 778 points of a possible 800.

A British Columbia team from Military District No. 11 was second with 766. Its members were: Lieut. J. W. Blair, C.S.-M. Willoughby, Sgt. P. M. Gibault, Rf. R. Chandler and I. M. Sutherland Brown, Vancouver; Pte. E. Nicholson, Esquimalt, and C.P.O. J. Betts and Pte. J. E. Hutchins, Victoria.

EXPECTS SUPPORT FROM HUNGARY

Continued from Page 1
This practically was admitted by the German Ambassador, who is considered as speaking for the Government.

It said today: "Agreement between Germany and Hungary has been rendered secure in every direction. This has been made evident anew by the latest visit of Minister Ciano to Sziburg."

POLITICAL CO-OPERATION
"Hungary and Germany see completely eye to eye as regards their conception of co-operating politically."

Informal political circles felt certain the main points under discussion were: 1. Hungary's readiness to permit the German army, in the event of an armed conflict, to occupy the Carpatho-Ukraine. This would give Germany a great strategic advantage in two directions—Poland and Rumania.

2. The prospects of remodeling Hungary along Fascist-Nazi lines. The German press campaign, which has been growing in intensity daily, is seen by observers as following closely the pattern of similar campaigns before the Austrian Anschluss and the breaking up of the Czechoslovak Republic.

OLD EXPLOITS RECALLED
Occasion for an especially heated outburst of anti-Polish sentiments was given today by the fact Polish insurgents who cut off certain parts of Upper Silesia from the Reich twenty years ago, are having special celebrations these days commemorating their exploits.

Propaganda Minister Goebbels Der Angriff conducted a series of telephone inquiries to Upper Silesia border towns, such as Hindenburg, Ratibor and Rosenberg, to determine the lots of German refugees. These refugees, the paper reported, prefer the danger of

Parliament Square Will Be Scene of Concert Tonight

A PIPE band, composed of musicians from the 18th and 2nd Battalions (18th and 2nd Canadian Scottish), will give a concert in front of the Legislative Buildings this evening, at 7:45 o'clock. Last night the band appeared before a large gathering in Central Park. The presentations are being arranged by the city celebrations committee as a tourist attraction. In addition to well-known Scottish airs, the band will offer selections that it will play in competition with other pipe bands at the San Francisco Fair.

drowning in the Oder River, which they must cross in order to reach the German shores, or of being shot by Polish frontier guards, to "mal-treatment by Polish mobs."

EXPANDS DEMANDS
BERLIN, Aug. 17 (C.P.-Havas).—The influential financial newspaper, Berliner Boersen-Zeitung, today demanded annexation to the Reich of all "German" territory in Poland—an area the newspaper estimated at about 48,000 square kilometers (about 19,000 square miles).

The whole of Poland, including the Cieszyn area annexed from Czechoslovakia last year, covers 150,413 square miles and contains a population of 32,547,300. Application of the Boersen-Zeitung's demand would reduce Poland by between 12 and 13 per cent both in area and population. The Munich settlement which gave Germany the Sudetenland last year cut Czechoslovakia's population and area each nearly 30 per cent.

ACCUSES GREAT BRITAIN
The Boersen-Zeitung's diplomatic correspondent accused Great Britain of having failed to get "German" territories for Poland.

Professing to answer former reminders that the reich has refused the right of self-determination to 8,000,000 Czechs, the newspaper said Poland was oppressing 8,000,000 Ukrainians.

The official Nazi party organ, Voelkischer Beobachter, warned that "every day frittered away increases the danger of war." It dismissed suggestions for a "peace conference," which it termed a quest for a breathing spell by the democracies, who "are now frightened by what they have done in giving carte blanche to Polish Chauvinism."

DEATH TAKES ARTHUR LEE

of trustees, and it was in appreciation of the long service that he had given the Methodist, and later the United, Church here that he was elected the first lay chairman of the Victoria Presbytery three years ago. In addition to his church activities, Mr. Lee was an active member of the Victoria Real Estate Board, and was a past president of the Sons of England. He was also a member of the Men's Canadian Club and the Chamber of Commerce. He held the distinction of being one of five Canadian lay governors of the British and Foreign Bible Society. His association with the Protestant Orphanage began twenty years ago, when he was appointed to the finance committee.

Survivors are his wife, at the family residence; one daughter, Mrs. Stanley V. Garrod; two grandchildren in Kobe, Japan, and a stepson, D. J. Miller, in Victoria.

Funeral services will be held tomorrow afternoon at 2 o'clock from Metropolitan Church, with Rev. A. E. Whitehouse officiating, assisted by Rev. Dr. W. J. Sipprell. Interment will be in the family plot in Royal Oak Burial Park. S. J. Curry & Son have charge of arrangements.

FIRE HAZARD IS SERIOUS AGAIN

Continued from Page 1

Loggers and a crew of fire fighters totaling forty men were rushed to the scene, but latest reports to the district forester's office indicated it had not yet been brought under control.

Crews are also battling fires at Kerefer, near the Fraser Canyon and east of Boston Bar, but were believed to have them under control. A crew of 150 men was rushed to a new fire which broke out three miles above a settlement near Spruce Creek in Nelson district. Officials were unable to state the size of the blaze.

Fire fighters were released from the Champion Creek fire near Castlegar as the blaze was brought "under control."

REDUCING CREW
The McCulloch blaze in a divide between the Kettle Valley and the Okanagan, near a Kelowna watershed, covered 400 acres, but officials stated the blaze "well under control" and the crew of 120 men was being reduced.

More than seventy men battled the Lamb Creek fire, 2,000 feet above Moyie Lake, which now covers an estimated fifty acres in the Cranbrook district.

The blaze at Marion Creek above Canal Flats has broken out again and all available men in the area are being rushed to it.

CLAWED BY BEAR

TORONTO, Aug. 17 (C.P.).—Edward Blomme had his right hand clawed and almost torn off while feeding a big Kodiak (Russian) bear at Riverdale Zoo here, today. Physicians said they may not amputate the hand.

SAW SERVICE IN MANY COUNTRIES

Late D. J. MacLennan was Decorated Many Times for Services With Imperial Armies

David John MacLennan, a member of a family that has given Imperial service for many years, died on Wednesday night in the Royal Jubilee Hospital, at the age of sixty-six years. He resided at 1744 Fort Street.

Mr. MacLennan enlisted with the Seaforth Highlanders in Scotland in 1891. He served with the Canadian Ordnance Corps in Toronto from 1906 to 1912. For services in Khartoum, in the Sudan and South Africa, he received eight Imperial medals. Mr. MacLennan met his wife, who was a nursing sister, while engaged in South Africa. His mother was a daughter of Colonel Grant, who gave distinguished service in the Indian Army.

Three of his brothers lost their lives in the services of their country. Mr. MacLennan's brother, William, died in Egypt in 1894 while with the Cameron Highlanders; William died at the battle of Vimy Ridge, and John, a member of the Seaforth Highlanders, was killed in France in 1917. Another brother, Willock, won the Military Medal and the D.C.M. Mr. MacLennan had been in the employ of the Bank of Montreal since his arrival in Victoria in 1912. He was a member of the Britannia Branch of the Canadian Legion.

He is survived by his wife, at home, and two sons, William John and Robert Douglas, both in Victoria.

The funeral will take place tomorrow at 4 p.m. from Hayward's B.C. Funeral Company's chapel. Interment will be in the family plot in Ross Bay Cemetery.

CRITICIZES B.C. INTERIOR ROADS

A. L. Phelps, Winnipeg, Says Motorists Are Discouraged From Using All-Canadian Route

Transcontinental motorists are being discouraged by Prairie people to keep off the British Columbia roads, and to take the American highways instead, with a considerable loss to this province in tourist trade as a result, according to Arthur L. Phelps, professor of English at the University of Manitoba, who arrived here yesterday after a 12,000-mile drive from Eastern Canada.

Mr. Phelps is making a tour of the Dominion to collect information about the nine provinces, which he intends to use in a broad-casting series on Canadian life over the Canadian Broadcasting Corporation network this autumn. Criticism of British Columbia interior roads is not by any means without justification, Mr. Phelps stated. He said his trip over the roads of the province had led him to wonder if British Columbia had any road programme which was completely independent of political consideration.

At the same time, he said, he considered British Columbia scenery amply justified the inconveniences a motorist had to go through to enjoy it. But other tourists, he thought, might not feel the same way as he did about it.

airplanes and Canadians heard Hitler on the radio. The world was divided into two groups, the countries which had driven out the God of their fathers and replaced Him with the god of race or of living space—which obeyed only one commandment, "You shall take your neighbor's goods"—and the nations which remained faithful to the God of their fathers, which still had governments believing in charity, justice and all that for which Christian civilization stood.

STRONG PROPAGANDA
German propaganda was strong in Canada, as elsewhere, said M. Charpentier, and sometimes influenced people of the best intentions. Sometimes the most patriotic citizens, without knowing it, were the agents of Nazism.

Mr. Lapointe said he hoped that Mr. Charpentier's anxiety about war would be dispelled and that the world would not need another catastrophe to convince it there must be some peaceful basis for settling international differences. It was not beyond the skill of the lawyers of the world to evolve a system of justice among nations.

Four Other Occupants of Car Injured on Highway Near Ashcroft

ASHCROFT, B.C., Aug. 17 (C.P.).—Mrs. Alice Reynolds, seventy, of Upper Hat Creek, B.C., about fifteen miles north of here, was killed and four other persons injured late yesterday when their automobile plunged over a fifty-foot bank on the highway across the Fraser River from Ashcroft.

Fred Johnson and Leslie McKenna, twenty-five, both of Upper Hat Creek, and Earl Reynolds, twenty-one, and Ruby Cargile, thirteen, of Ashcroft, suffered severe shock and bruises.

McKenna told police he was driving the automobile and that the dust from another vehicle blinded him for a moment, sending his machine over the bank about one-half mile west of the Ashcroft Bridge to the Canadian National Railway tracks below.

REPORTS ALLAY OAK BAY FEARS

Council Is Told Sewage From Saanich Causes No Serious Inconvenience

Oak Bay Municipality is not suffering any serious inconvenience on account of Saanich sewage, the council was informed last night when reports on the matter were submitted by Dr. W. P. Walker, health officer, and A. S. O. Musgrave, municipal engineer. However, the reports will be forwarded to the Saanich Council and its cooperation in remedying the situation will be asked.

The health officer and engineer inspected the condition of ditches on the Saanich side of Foul Bay Road, and reported that the effluent from

them consisted of soapy water, free from other forms of sewage. A section of the doctor's report read as follows: "That such effluent can be a nuisance and give rise to most unpleasant odors is undeniable, but that it would of itself give rise to any of the typhoid dysentery group of diseases, or to such diseases as diphtheria, scarlet fever, etc., is unthinkable."

SEWAGE MIGHT ESCAPE
"This is not to say that sewage does not escape to the surface of the ground in other places near the city boundary, or that such sewage might not be a menace to the health of nearby residents from fly-borne infection."

"It is the subdivision of land into small lots and resulting congestion of houses that is responsible for the condition which prevails, and the matter is really one of town planning."

In the engineer's report it was pointed out that Saanich residents in the area affected may connect with the Foul Bay Road sewer, under an agreement between the

city, Saanich and Oak Bay, on payment of \$100 per new building erected and \$20 for buildings erected prior to 1927, an annual frontage tax being charged in addition. The agreement also calls for the full connecting cost.

Air Mail Rates Will Be Lower

OTTAWA, Aug. 17 (CP).—A reduction in air mail rates on newspapers and periodicals to and from distant Northern points was announced tonight by Postmaster-General McLarty.

The rates, effective immediately, will affect sixty-seven distant settlements and mining camps in the Northwest Territories, British Columbia, Alberta, Saskatchewan, Ontario and Manitoba.

Telegraph Creek, B.C., will be eligible for the reduction in winter only, the announcement said.

REGISTRATIONS ARE INCREASED

Jeffrey A. Cunningham, Victoria College, Sees Larger Enrollment for Fall Term

Early registration at Victoria College indicates that there will be a larger student body than usual at the beginning of the 1939-1940 term. Jeffrey A. Cunningham, registrar, reported yesterday. Present prospects are that there will be in the neighborhood of 250 students registered this year, which would be an increase over previous years.

Inquiries with regard to the college's courses are coming in from many Up-Island points. Mr. Cunningham said, and, in addition, there have been some from the Interior of the province. Registration

will continue to September 15, and the Fall term will commence on September 18. Office hours at the present time are from 10 to 12 a.m., from 2 to 4 p.m., and Victoria students are asked to register early.

Apart from two minor changes in the science courses, the college curriculum for the first and second years will remain unchanged, this term. The changes provide science courses for students wishing to take them, but not intending to specialize in that field.

NEW PROFESSORS

There will be two changes in the staff this year, owing to the retirement of Miss Jeanette A. Cann and Miss E. Sanderson-Monin. The English lecturer formerly held by Miss Cann will be taken by William Robbins, M.A., and W. Harry Hickman, M.A., will give the French courses formerly taught by Miss Sanderson-Monin.

Mr. Robbins is a former student of Victoria College, where he had a brilliant academic and athletic career. He later attended the University of British Columbia, where he took his master's work with first-class honors. He gained considerable acclaim in his under-graduate years at the university as an athlete, playing on the University of British Columbia football team.

In recent years, Mr. Robbins has been an instructor at Wesley College, University of Manitoba, and this Summer gave a course at the University of British Columbia Summer session.

Mr. Hickman is well known in Victoria, having taught French and English at Victoria High School from 1932 to 1938. He is also an honor graduate of the University of British Columbia, having led his graduating class in 1930. Previously he had led the province in the senior matriculation examinations in 1926, and gained honor standing at the Provincial Normal School, Victoria, the following year.

In the graduate field, Mr. Hickman has studied at McGill University, where he won the Summer session medal for highest standing, and at the Sorbonne, Paris, where he is now pursuing his doctorate. He will return to Victoria shortly before the term opens.

CAUSE OF ACCIDENT

Pending fuller investigation, officials believed the accident was due to the ship's weight being too great for some of the wooden keys that kept her in position. They said the excess weight of the day may have been a factor.

With the formidable moving steadily down the ways and launching herself on an even keel, Lady Wood had the presence of mind to deliver the following christening speech:

"We are here today to launch this great ship and wish her godspeed. We do it with pride and thanksgiving in a wonderful achievement. I name this ship the Formidable. May God guide her and guard her and keep all who sail in her."

Many Members Attend Outing

More than 125 supporters of the Victoria Consumer's Co-operative Society attended the second annual picnic of the society at Elk Lake on Wednesday. A full programme of sports and games occupied the afternoon.

Highlight of the day's sports programme was a softball game won by Nape Deurand's team. Large quantities of balloons, candies and watermelon were distributed to the children.

During the afternoon visitors who had belonged to co-operative societies in England were welcomed by the gathering. It was announced that plans are being made by the Victoria society for a programme of study groups to be held during the winter.

GREAT UPSWING IN PIANO SALES

Walter Fletcher Reports New Models Are Revolutionizing Music Industry

The music industry is at present enjoying an increase in volume such as it has never before experienced. In the opinion of Walter Fletcher, Victoria music dealer, who returned yesterday from a 9,000-mile trip across the continent, during which he attended the National Music Industries annual convention at New York.

The gain in music industry volume is largely to be accounted for by an increased interest in pianos throughout Canada and the United States. Mr. Fletcher said. The piano, once a large piece of furniture of strictly conventional design, was now being made in many smaller sizes, and in innumerable furniture styles, and as a result a great many more were being sold than has been the case in recent years.

Among the novel piano designs he saw during his trip were instruments covered with various colored leather surfaces, and others upholstered with the latest tweed patterns. The popular size at the present time was a piano forty inches high. The standard keyboard was preserved in the new models, he said.

During his tour of Eastern cities, Mr. Fletcher went through the factories of the Steinway Piano Co., New York; the Northern Hammond Organ and the RCA Victor Radio factories, Montreal; the Heintzman Piano Company factory, Toronto, and the Lyon & Healy harp factory, Chicago. He expressed the opinion that the new models being offered by Canadian manufacturers were equal in beauty of design and instrumental quality to those of American firms.

Regatta Open to Vancouver Island Boat Owners And Visitors

A similar event last year having proved a notable success when added to the regular programme of seasonal competitions, the Royal Victoria Yacht Club is sponsoring another open regatta at Cuddeboe Bay on Sunday. All events will be open to owners of sailing craft residing on Vancouver Island or visiting local waters at the present time.

Entries for this regatta must be in the hands of the club secretary, James Cameron, either in writing not later than tomorrow, or in person at the clubhouse on the same day and up to 9 a.m. Sunday, when contestants must state the waterline length and sail area of their boats.

POLLEN BOMBS BRING SUMMER MISERY

To thousands of May Fever sufferers summer brings distressing misery caused by clouds of tiny pollen bombs launched from weeds and flowers. But now this scourge of sniffles, sneezing, itching eyes and running nose is vanquished by EPHAZONE. Attacks are relieved quickly. Five to ten minutes after you take EPHAZONE, your May Fever is noticeably relieved. You'll feel it fading away—headache gone, sneezing ended, tearfulness reduced. Here's what Miss A. P. Hamilton says: "I was suffering from seasonal attacks of May Fever. I took EPHAZONE tablets with immediate relief. I slept every night since down from time for 36 years. I have not through an attack since. Your druggist sells EPHAZONE—11.50 and 25.00 and special economical size, \$1.50. Class "A," Class "B" and Class "C" boats.

There will be a series of two races for boats of each class entered. The course for auxiliary cruisers will be from a starting line between the large dolphin and the judge's boat, moored in the bay opposite the clubhouse, to Willows, to beach mark, to Willow, to beach mark and across starting line. Other classes will sail the Cuddeboe Bay course, from starting line to Patterson Point, to mark in north-easterly corner of Cuddeboe Bay, to mark west of starting line, twice around unless otherwise notified.

Points will be awarded as follows: One point for finishing and one point for each boat beaten. In the event of two boats in any one class obtaining the same number of points, the boat which has completed the two races in the shortest total elapsed time shall be declared the winner.

STARTING TIMES

Yachts will start in the first series at 10 a.m., the warning gun going at 9:50 a.m., and the preparatory gun at 9:55 a.m. For the second series the starting time will be 2:25 p.m., the warning gun at 2:15 p.m., and the preparatory gun at 2:20 p.m. No time limit has been set for the completion of the races, but if in the opinion of the judges it appears as if one or other of the classes cannot complete the second round within a reasonable time, they may call the race on the first round.

Following the conclusion of the last race, prizes will be presented in the clubhouse.

DISPOSING OF SMALL PLANES

Only Super-Electras Now Operating in Trans-Canada Air Services

MONTREAL, Aug. 17.—Starting today, Trans-Canada Air Lines will use Lockheed 14-H planes (Super-Electras) in its passenger, mail and express service between Lethbridge, Calgary and Edmonton, according to an announcement by T.C.A. headquarters.

With delivery of the last of the six new 14's ordered from the Lockheed Aircraft Corporation, T.C.A. now has a fleet of fifteen of the big twin-engine planes. They will be in service today over the entire route, from Montreal and Toronto to Vancouver; between Lethbridge, Edmonton and Calgary; and between Vancouver and Seattle. The slightly smaller Electras, formerly in service on the shorter routes, are being disposed of to give the T.C.A. complete uniformity of operation and overhaul.

The 14's, described as the fastest transport planes of their type, have a cruising speed of 200 miles an hour, and a maximum speed of 244 miles an hour. Their cruising range with normal load is 1,575 miles. All-metal, their empty weight is 11,200 pounds. Their two engines generate 850 horsepower each. They have accommodation for ten passengers and a crew of three, cargo capacity of 2,000 pounds, fuel capacity of 536 gallons.

Trans-Canada is one of the twenty-eight air liners of the world using Lockheeds. They fly over forty-seven different countries.

VISITING ISLAND

A. H. Hebb, general agent of the Great Northern Railway Company, Vancouver, was in Victoria yesterday on his way to Brentwood Bay, where he expects to stop for the next week, to do some fishing. He came from Qualicum, where he had spent several days. Mr. Hebb was formerly general agent of the company in Victoria. He is accompanied by Mrs. Hebb and a party of friends.

ON MAIDEN VOYAGE

The crack Swedish motorship Goonawarra is now loading at Mainland ports for Australia. The Goonawarra is commanded by Captain A. Hullman. She arrived at New Westminster on Wednesday to stow 1,000,000 feet of lumber. Yesterday she loaded about 400 tons of general cargo at Vancouver. The speedy Atlantic Steamship Company is 437 feet overall, has a deadweight of 8,000 tons and maintains a loaded speed of seventeen knots, and has accommodation for twelve cabin class passengers. The public rooms comprise spacious dining-rooms and sitting-room on the promenade deck, smoking room on the boat deck, and ample space for games and promenading.

SEVENTH ANNUAL EXCURSION ENDS

Visitors to Northern Manitoba Sea-Port Saw Whales Hunted and Prairie Grain Loaded

WINNIPEG, Aug. 17.—Back from the land of the Eskimo, 150 excursionists arrived in Winnipeg this morning. They had accompanied the seventh annual Churchill excursion, a six-day trip to Canada's North, over the Hudson Bay Railway.

Whale hunting in Churchill Bay proved one of the most interesting features of the journey. Visitors also saw Canadian grain being loaded in Atlantic steamers for shipment to Europe and experienced an elaborate demonstration of Northern hospitality when the seaport town, Eskimo, Indians and all staged the annual excursion dance.

Squalus Hoisted From Sea Bottom For Second Time

PORTSMOUTH, N.H., Aug. 17 (AP).—A United States Navy salvage crew today hoisted the sunken submarine Squalus from the ocean floor for the second time in six days, and thereby placed the bodies of her twenty-six dead near to release from the sea.

The three topmost lifting pontoons above the Squalus stern broke on the surface at 1:05 p.m. (EST) in a characteristic cascade of foam, indicating that end of the craft had been elevated between sixty and eighty feet from an uncharted mudbank.

BAD COMPANY

An Aberdonian was charged with being drunk and disorderly. "Any excuse?" asked the bailie. "Aye, yer honor, I got innae bad company."

"What sort of bad company?" "Well, I got a present of a bottle of whisky and I met two teetotalers."

Tuscaloosa Made Early Start From Sydney Yesterday

ABOARD U.S.S. LANG, AT SEA, Aug. 17 (AP).—President Roosevelt, cruising in Canadian waters aboard the Tuscaloosa, left Sydney, N.S., at 5:54 a.m. (E.S.T.) today en route toward fishing grounds, or into the Gulf of St. Lawrence.

The party hoped for a northwest wind to drive out to sea the heavy fog through which the Tuscaloosa had to come to reach the calm waters of this Cape Breton port. The cruiser remained here overnight awaiting better weather.

The President has sailed 1,000 miles since leaving New York last Saturday.

SALMON PACK IS BACKWARD

Total Catch to Date Is Smallest in Past Five Seasons

VANCOUVER, Aug. 17 (CP).—Fuller of sockeye, coho and chum salmon to appear in British Columbia fishing areas as early as in previous years has resulted in a lower salmon pack to date this year than during the same period of any of the past five seasons.

Figures issued by the British Columbia Fisheries Department today showed a total of 526,774 cases this year, compared with 596,700 cases in 1938, a drop of 69,926. The lowest total during the previous five seasons was in 1935, when 566,348 cases had been packed at the corresponding date.

The largest drop from last year's figures was shown in the sockeye pack, with 206,983 cases this year against 263,587 in 1938, a drop of 46,604.

Only two salmon types showed improved totals, bluebacks increasing from 20,452 in 1938 to 35,748 this year, while pink increased by 12,511 cases to a total of 215,699 cases this year.

Following are figures for other types, with last year's totals in parentheses: Springs, 10,506 (10,786); steelheads, 460 (611); coho, 43,965 (58,747); chums, 15,413 (41,329).

OFFICER IS PROMOTED

OTTAWA, Aug. 7 (CP).—Commanding officer of the Western Air Command at Vancouver, Group Captain G. O. Johnson has been promoted to temporary air commodore. It was announced today by the National Defence Department.

Other changes announced included the transfer of Flight Lieutenant W. Murray from Vancouver to the air training command headquarters at Trenton, Ont.

FOLLOWING a policy of progress, ever adopting methods which ensure, for this Province, the finest beer obtainable, Capilano has made it possible for the people of British Columbia to be the first in Canada to enjoy "Vitamin Conditioned" Beer. Through an exclusive process—the biggest brewing development of the century, the natural malt yeast vitamins B and G—vitamins which are lost in modern filtration—are restored to Vancouver Capilano's Vitamin Conditioned Lager. As a result it is a balanced, complete beer with the mellow smoothness, dietetic and nutritional value that characterized the famous old brews that Granddads knew. It's another triumph for Capilano—an outstanding contribution to the quality of beer brewed in British Columbia.

THINKS CANADA MAKING ERROR

British Immigration Authority Believes Dominion Is Underpopulated

Canada is failing to take advantage of the opportunity that is now hers to have British immigrants settle in the country, and may never have the chance again, in the opinion of Dr. Brinley Thomas, distinguished authority on immigration at the London School of Economics, who was in Victoria yesterday.

Dr. Thomas said that he thought the declining birth rate in Britain would soon make British people loath to have their young people emigrate to Canada.

"If Canada ever hopes to have British immigration, she should start now," he declared. "I think it is wrong to believe, as many people apparently do, that Canada has reached the zenith of her population." Dr. Thomas said, "A country this size, with a population of only 11,000,000, is ridiculous."

FEWER BRITISH NOW

From his studies across Canada, it had become evident to him that the British proportion of Canada's population was steadily on the decrease. Dr. Thomas stated. This would continue to be the case unless Canada did something to encourage British immigration in the near future. He advocated for Canada the adoption of a policy of assisting British immigration, as Australia had done recently.

On Monday—Dr. Thomas visited the Fairbridge Farm School near Duncan. He expressed delight with the progress made there, and thought the school a work-shed, conclusively that it would be a good policy for Canada to encourage British immigrants, particularly the younger you in this country the better," he said.

Dr. Thomas is of the opinion that Canada should encourage the entry into this country of high-class European immigrants.

"You and your wife patched up your quarrels yet?"
"We don't patch them up. We get new ones."

"I shall study medicine, and become a great surgeon," replied the youth.

"The medical profession is pretty crowded, isn't it?" ventured the relative.

"Can't help that," snapped the youth. "I shall study medicine, and those who are already in the profession will have to take their chances, that's all."

AUSSIES WIN EASILY OVER U.S. NETTERS

Quist and Bromwich Show Brilliant Form in Down- ing Americans

BROOKLINE, MASS., Aug. 17 (CP).—The Australian Davis Cup forces set off all of their batteries in the National doubles tennis quarter-finals at Longwood today and did not lose a set.

Only Walter Pate, non-playing captain of the United States Davis Cup team, appeared unimpressed as Adrian Quist and Jack Bromwich, the Australian ace, overpowered Gene Mako and Jack Tidball, of Los Angeles, 6-2, 6-1, 6-2, and Harry Hopman and Jack Crawford out-battled Charles Hare, of England, and Ladislav Hecht, former Czechoslovakian star, 6-3, 6-3, 6-3, 4-6, 6-4.

Most of the spectators were so impressed that they were conceding the Australians, not only the Davis Cup as well, but Pate was one of the few exceptions.

"This will make the Australian team over-confident," he predicted.

Mako, a winner here last year with Don Budge and assured of a Davis Cup doubles assignment, had won ten of his twelve tournament starts with Tidball this year, the best record of any American team.

He and Tidball were expected to make it hot for the Australian aces, but they were toyed with as they played their best.

Mako's weak service, only five in his doubles game, was cracked five out of six times by the Australians, who totaled but thirty-five errors in the twenty-three games.

The Australians made fifty-four placements and limited the hard-hitting Mako and Tidball to twenty-two earned points.

FACES AMERICANS

Crawford and Hopman will oppose the top-seeded Frankie Parrish and Beverly Hills, Cal., and Don McNeill, of Oklahoma City, tomorrow, and the other Australians will engage Bobby Riggs and Elwood Cooke, the Wimbledon champions, Saturday for final berth.

The women's division went to the semi-finals without excitement. Defending champions, Alice Marble and Mrs. Sarah Palfrey Bayan, easily defeated England's Betty Nuthall and Nina Brown, 6-1, 6-2, and Kay Stammers, the top-seeded, defeated Mrs. Freda Hamerley, 6-1, 6-2.

British pair, beat third-seeded Virginia Wolfenden and Patricia Canning, of San Francisco, 5-7, 6-0, 6-1.

The only upset in any of the four divisions came in the mixed doubles when the third-seeded domestic team, Helen Jacobs and Wayne Sabin, of Portland, Ore., was ousted in a second round match by the Anglo-American combination of Valerie Scott and Gardner Mulloy, of Coral Gables, Fla., 6-2, 5-7, 6-4.

KEEN PLAY IN JUNIOR MEET

Four Close Matches Are Recorded in B.C. Tennis Tourney at Willows

Four close matches were witnessed in the opening rounds of the British Columbia (closed) junior lawn tennis championships at the courts of the Victoria Club at the Willows yesterday. Alan France, one of the favorites from Kelowna, went to the side lines in the under eighteen division when he bowed to Ken Lee, Vancouver, in the second round, while Dave Williams lost a tough decision to Hank Bennett, 10-8 and 6-3, after the Victorian had taken his first battle without much trouble.

Muriel Birch, Vancouver, captured a three-set tussle from Mary Worsley, 4-6, 8-6 and 6-3, and then she teamed up with W. E. Knotts to down Cora Stafford and Williams, 7-9, 6-1 and 7-5. In the girls' doubles, under eighteen, Mary Worsley and Yvonne Lowden beat Marion Wilde and Joyce Hutchinson, 11-9 and 6-4.

City and District

House Alteration—The Oak Bay Council last evening granted a building permit for alterations to a house at 2585 Lansdowne Road, at an estimated cost of \$3,500.

Appointed J.P.—A Provincial order signed yesterday appoints Benjamin E. Hardie, Rutland, as a justice of the peace.

To Serve on Board—The appointment of Bruce Powell, Duncan, as a member of the board constituted under the Town Planning Act, appeared in Provincial orders yesterday.

Fined in Saanich—Convicted of operating without a licence from the municipality, the Malahat Fox Farm was fined \$25 by Magistrate Henry C. Hall in the Saanich police court yesterday.

Acting Minister Named—Hon. John Hart, Minister of Finance, will be Acting Minister of Labor and Railways during the absence of Hon. G. S. Pearson from the cabinet at any time, according to a Provincial order signed yesterday.

Found Under-Charging—A taxi operator was fined \$10 under the Highway Act for under-charging a taxi fare, when he appeared in the Saanich court yesterday. A taxi company was remanded until next Thursday on a charge under the same act.

Yesterday's Temperatures—Thermometer readings at the Meteorological Observatory at Gonzales yesterday showed a maximum temperature of 67 degrees and a minimum of 55 degrees. At Victoria College the readings were 70 degrees and 55 degrees, respectively.

Tax Evaders—Three persons were convicted and fined \$7 each, plus \$2 costs, for failing to pay their road and poll taxes, when they appeared in the Saanich court yesterday. A young man was fined \$5 and had his gun confiscated for carrying a firearm without having the necessary licence.

Dusty Road—The roadway through Lafayette Park will either be gravelled or receive a cinder surface at an early date, the municipal engineer told the Oak Bay Council yesterday in answer to a complaint from W. Moore, 479 Montrose Avenue, that the dust was a nuisance and was "ruining his property."

Graveling Explained—A request from E. J. Dicker, 2570 Esplanade, for the graveling of that roadway was received by the Oak Bay Council yesterday and referred to the engineer for report. The council pointed out that if such work were undertaken it would have to be done under the local improvement plan.

Wage Scale Raised—Effective on August 21, an increase of 5 cents an hour in the minimum wage for carpenters in Victoria and vicinity was ordered by the Board of Industrial Relations yesterday. The increase will bring the minimum to 75 cents, and will place Victoria on the same level as Greater Vancouver. The minimum for carpenters here was originally fixed in 1936.

Assessment Rolls Filed—Victoria city assessment rolls for 1940 have been returned to the city clerk by the assessor-collector, but the actual revisions made in valuations for taxation purposes will not be known definitely until the beginning of October, it was stated yesterday. These computations will be made prior to the sitting of the court of revision on October 2.

Rubbish Dumped—The Oak Bay Council received a communication at its meeting yesterday from residents of Henderson Road and Neil Street complaining of a garbage dump in the middle of the district. The petition said the dump was becoming the home of rats, which were entering basements. The council decided to erect signs at the site prohibiting the dumping of garbage there.

Says Oath Unnecessary—Under the section of the Municipal Act governing the Victoria city police commission, there is no provision for the three commissioners to take an oath.

Carpenters to Meet—The Carpenters' Local Union will hold its regular meeting on Monday, when the wages committee's report will be presented. A number of new members will be initiated.

Schoolgirl Hitchhikes For Holiday

SASKATOON, Aug. 17 (CP).—From Ottawa to Vancouver on \$1.50 is cheap traveling. Madeline Leury, Ottawa high school girl, who arrived in Saskatoon tonight, claimed to have hitch-hiked from Canada's capital city to the Pacific Coast on that amount of money. She's on her way home now, and since leaving Vancouver, hasn't spent a cent.

"How do you do it?" asked a reporter who interviewed Miss Leury here. "Oh, I just wiggle my thumb," was the reply. She explained that motorists were generally suspicious of male hitch-hikers, but appeared happy to be of assistance to women.

Miss Leury collected autographs, and she displayed an album containing the signatures of many notables, including Mrs. Franklin D. Roosevelt. Since leaving Ottawa, the signatures of the Duke of Windsor and David Lloyd George had arrived at her home, she learned.

Miss Leury said she had made the trip from Ottawa to Vancouver in sixteen days. She had to sleep outdoors on only two nights. The rest of the time, farmers and townsfolk along the way provided her with sleeping accommodation and meals.

"I found the people of Western Canada much more friendly than those down East," Miss Leury said. "It was her first trip to the West. 'I expect to get to Ottawa within a week, and get ready for another term at school,' she added.

Up-in-the-Clouds Ensemble Was in Liege For Meetings

—Photo by Fashion League.

Smart indeed is this two-piece jacket frock of navy blue faille crease-resistant and dust-shedding. Nothing could be more suitable for the air-minded traveler. The blue and white upturned hat adds just the right touch of chic to the ensemble, and the fresh white gilet is button trimmed for smartness.

Some highlights of the Exposition Internationale de l'Eau and of the International Congress of Dowling, held at Liege, Belgium, recently are contained in a letter received here from Dr. Irene Bastow Hudson, formerly of Victoria, who flew from London to the Continent in order to attend the two meetings.

A Canadian log hut was among the exhibits she specially noted in the international section of the exposition. The pictures inside the hut and samples of agriculture she said "left much to be desired from the point of view of anyone who knew Canada."

Just after returning to England, Dr. Hudson left for Stockholm to attend the International Congress of University Women, from August 6 to 15, at which Dr. Norrington, also of Victoria, was to be present.

Weddings

Cox-Wolfe
A pretty wedding took place on Wednesday afternoon, August 16, at the home of the officiating minister, Rev. Daniel Walker, when Nellie Sarah Wolfe, second daughter of Mrs. E. Wolfe and the late Mr. George Wolfe, became the bride of Mr. William F. E. Cox, second son of Mrs. S. A. Cox and the late Frederick A. Cox, Esq., Esq., Esq. After a honeymoon in the United States, Mr. and Mrs. Cox will make their home in Victoria.

BRAND-BALL

A pretty wedding was solemnized on Wednesday evening at the home of the bride's aunt, Mrs. W. Wellwood, 1317 McNair Avenue, when Rev. J. L. W. McLean united in marriage Eva May Ball and Mr. Gordon A. Brand. The bride, who was given in marriage by Mrs. George Brand, made a charming picture in her floor-length gown of French blue net, with a Watteau hat with veil to match. She carried a shower bouquet of Sweetheart roses and heather. Her only attendant was Miss Edith Brand, who was becomingly attired in pink net with matching accessories, and carried a bouquet of carnations and scabiosa. Mr. Robert Wellwood, cousin of the bride, acted as groomsmen. Following the ceremony, a most delicious breakfast was served. The bride wore for going away a model ensemble of Queens blue imported wool with matching accessories. On their return, Mr. and Mrs. Brand will make their home at Deerholme, V.I.

MARRION-PINEO

At a quiet ceremony in First United Church last evening at 8 o'clock, Rev. Thomas Menzies celebrated the marriage of Mrs. Virginia Pineo, elder daughter of Mr. and Mrs. R. W. Chaster, 1866 Forrester Street, to Mr. B. Marion Pineo, of Montreal, elder son of Mr. and Mrs. A. H. Marion, 1009 Chamberlain Street.

The bride and groom were unattended. The bride wore a lovely suit of navy blue tulle, with a navy veil and a new plumed hat, and a corsage bouquet of roses and a corsage bouquet of roses and a corsage bouquet of roses.

Addresses Given At Meeting Held By W.M.S. Group

The regular meeting of Centennial W.M.S. was held at the Japanese Tea Gardens, with Mrs. J. D. Wilson presiding.

In a letter thanking the W.M.S. for its contribution to the B.C. Temperance League, Rev. R. J. McInnes referred to the great injury that liquor was doing to the city of Vancouver.

Mrs. A. H. Rogers gave a review of the final chapter of the study book.

Rev. H. W. Kerley, of Semana, was the guest speaker. "Today," said Mr. Kerley, "we are being plunged into the greatest battle Christianity has ever had to fight—a battle that will be waged on many fronts. We must be missionaries to save ourselves, for our fate hinges upon what takes place regarding Christianity in India, China, and other Eastern countries. Our opportunity to win these nations has increased a hundredfold despite the fact that 'isms' of many kinds have many times the number of missionaries that the Christian church has at work."

He referred to the power that men possess who devote their lives to strange lands, not to trade, exploration or science, but to no other purpose than to tell men of Christ. Fifty per cent of the leaders in China today were Christian, he said.

Mr. Kerley's closing words were: "Beyond doubt there are factors at work in the world that make for a tremendous Christian advance."

Mrs. S. S. Peat moved the vote of thanks to the speaker.

Women of the Moose
Victoria Chapter, No. 25, held its regular business meeting on August 14, with the senior regent, Mrs. Carter, presiding. Letters of importance were read and discussed. The social convener gave a good report on the social activity for the last month. One new member was initiated and refreshments were served by the committee. A beach party will be held.

PIONEER MINER OF YUKON GOLD RUSH DAYS, AGE 75, ENDORSES MOSBY'S TONIC

Mr. John Johnson, Widely-Known Citizen, Had Rheumatic Pains So Bad He Could Hardly Walk—Suffered With Sour, Gassy Stomach—Now He Says Mosby's Tonic Made Him Feel Years Younger—Gas Bloating Gone—No More Rheumatic Pains

Mr. John Johnson, of 1355 Powell St., Vancouver, is the latest widely-known Western citizen to ward with a statement PUBLICLY praising and endorsing MOSBY'S TONIC, a New Scientific Formula of Roots and Herbs and Other Specially Medicated Agents, which is creating such wide discussion here in Victoria and which is now being introduced to crowds daily in this city by a Special Mosby's Tonic Representative direct from The Mosby Tonic Laboratories, at The Vancouver Drug Store, Fort and Douglas Sts.

Mr. Johnson is 75 years old, and has led a very active life. He holds the distinction of being one of the West's pioneer citizens. He participated in the Yukon Gold Rush and for the past 30 years he has made Vancouver his home. He is known widely throughout British Columbia and has witnessed the passing of many of the famous characters who made history in the Northwest. An endorsement from such a highly respected man really MEANS SOMETHING! His statement about MOSBY'S TONIC and the splendid relief it gave him after a long period of suffering will be read with interest by every sick and ailing person. His latest statement follows:

Suffered Rheumatic Pains and Stomach Distress
"For a long period I had suffered with rheumatic pains and indigestion, which got worse as time went on," said Mr. Johnson. "Everything I ate seemed to turn sour in my stomach, and put me into a state of pain and distress, and the gas would blow me up and cause pains all through my stomach organs. But one of the worst things about my case was the way that rheumatic trouble affected me. Both of my legs were afflicted, and I could hardly walk any distance at all. At nights I would have this suffering so bad that I could hardly move one of my feet without sharp pains."

MR. JOHN JOHNSON, 75, Veteran Citizen of the Old West, Who Says: "MOSBY'S TONIC is Splendid to Help a Man of My Age! It Relieved a Long Period of Suffering for Me, and I Strongly Endorse It."

Now Mr. Johnson Tells of His Splendid Relief

"I read and heard so much about Mosby's Tonic and what it was doing for other suffering people, so I made up my mind to get some of this medicine and try it. And I am here to say that it was a lucky day for me when I did, because it certainly gave me relief. It had such splendid action on my stomach organs that I can eat ANYTHING I WANT now, and my food digests like it should. No more of that sourness in my stomach, and the gas pains and bloating are GONE! What a relief it is to be able to eat again without all that suffering afterward! This medicine also drove so many impurities out of my system that my rheumatic pains have left my legs, and now I can take a long walk every day and have new strength and energy. I am 75 years old and I think it is splendid to feel a medicine that will help a man of my age. Mosby's Tonic has made me feel years younger, and I want all my friends and everybody who suffers like I did to know about the relief it has given me."

Only Costs Few Cents a Day to Take It

Another thing—due to the immense volume in which it sells, the price of Mosby's Tonic is reasonable. You can actually take this New Formula with its many herbs and other specially medicated ingredients, for just a few cents per day. Do not hesitate. Get Mosby's Tonic—NOW—and start taking it. A Special Mosby's Tonic Representative, known as THE MOSBY TONIC MAN, is now at THE VANCOUVER DRUG STORE, Fort and Douglas Sts., Victoria, daily meeting crowds of people and introducing and explaining this New Compound.

Complimentary Shower

Mrs. Doris Heller was hostess at a shower of personal gifts at her home on Dominion Road recently in honor of Miss Celia Lewis, who will leave shortly for England, where her marriage will take place. The gifts

were concealed beneath a prettily decorated table from which hung pink and white ribbon streamers. The reception rooms were decorated with masses of lovely flowers and a corsage bouquet was presented to the bride-to-be. After the gifts had been displayed, a buffet supper was served, the table centerpiece being of sweet peas and roses. The guests included Mesdames M. Lewis, W. Chandler, M. Pedneault, Black, J. C. Williams, L. Wakeham, C. Williams, Murrant, J. Tonkins, D. Heller, L. Heater and Misses E. Draper, V. Stromkins, M. Shepherd, F. Anderson and M. Tonkins.

Miscellaneous Shower

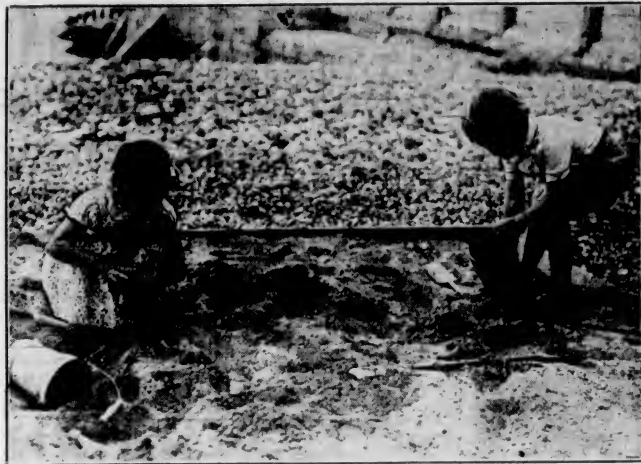

Miss Edna Holdridge, South Turner Street, was hostess at a miscellaneous shower at her home on Wednesday evening in honor of Miss May Chilton, who is to be married on Friday. Upon entering the living-room, the guest of honor was presented with a corsage bouquet of gladioli and white heather. The shower gifts were arranged in a prettily decorated umbrella. Games and music were enjoyed throughout the evening, prizes being won by May Chilton and Edna Bates. The invited guests were Mrs. Chilton and Mrs. F. Holdridge, Misses May Chilton, Eileen Boate, Edna Bates, Doreen Morris, Mabel and Elsie Beschizza, Bunty Clark, Cora Wharton, Doreen Payne and Eileen Wilkinson.

Tea Hostess

Mrs. H. R. Beaver, "Arden," Beach Drive, entertained a few friends at tea yesterday afternoon, the guests being welcomed in the garden, which is particularly beautiful just now. Tea was served in the dining-room from a table having a centerpiece of gladioli in palest shades, interspersed with a few spears of pale blue delphinium and gypsophylla, arranged in a novel glass container. Gladioli in pastel shades were arranged throughout the house, and specimens in baskets and tall vases were also on display in the garden. The gladioli, most of them new varieties, were from Holland and different parts of the world, and were the gift of Mr. W. Paddon, Gordon Head, who had grown them.

Celebrated Birthday

Miss Shirley Cummins, daughter of Mr. and Mrs. R. J. Cummins, Vancouver, celebrated her eleventh birthday yesterday at the home of

Made-to-Order Beach for the Duke and Duchess of Kent's Children. This Enclosed Sandy Stretch in Which Play Princess Alexandra and Prince Edward, Was Created for Them at St. Margaret's Bay, Kent. They Didn't Like the Stones.

her grandparents, Mr. and Mrs. J. Carl Pendray, Beach Drive. The children had a jolly afternoon of games in the garden before tea. Summer flowers decorated the house, while the tea table, set for fourteen guests, was centered with a long mirror on which miniature water fowl and animals were arranged. Pink gladioli and dainty ferns completed the charming setting.

Gifts Presented

Mrs. George Fatt was hostess last evening at the home of Mrs. G. H. Smith, 531 Joffre Street. The gifts were concealed in a prettily decorated basket. Cards were enjoyed and a buffet supper served later in the evening. The invited guests were Mesdames W. Farmer, T. Horn, H. Leggett, W. Morrison, P. Brian, J. Bateman, C. Sluggert, W. Creed, P. Cook, and Misses Jean Dempster, Lorna Howard and A. Smith.

Hostess at Tea

Mrs. A. Simille, Vancouver, was hostess at a tea at the Empress

Hotel on Wednesday, when she entertained in honor of Miss Thora Ridout, a bride-to-be. A corsage bouquet of gardenias was presented to the guest of honor by the hostess. Those present were Mesdames C. Pendray, F. Williams, A. Ridout, B. Hiron, J. Ridout and Misses Doreen McKean and Doreen Pendray.

Hostess at Tea

Mrs. M. L. Butterfield, Obed Avenue, entertained at tea recently when her guests were Mesdames J. T. Filcroft, Melvior, W. Gilbert, Matthews (Vancouver), W. Drayley, A. Boston, R. Huddleston, F. Foreman, Groves, A. Wilson, Jones, Leggett, N. Chamberlain, J. Kendall, G. McGregor, H. Foster, Jackson, Fred Butterfield and Miss Peggy Butterfield.

English Visitors

Mr. and Mrs. E. L. W. Jardine, 1330 Despard Avenue, have as their guests, Dr. and Mrs. E. Oxford, London, cousins, who are spending about a fortnight here before recrossing the continent to attend the Micro-Biological Conference in New York later this month. Dr. Oxford is biologist at the London School of Hygiene.

To Be "At Home"

Rev. F. L. Stephenson and Mrs. Stephenson, 1931 Bee Street, will be "at home" to their friends on August 27 from 3 to 6 o'clock, the occasion being their golden wedding day. Mrs. Stephenson and Miss E. E. Fisher were married at St. Mary's Church, Metcosh, by the late Rev. Canon Beauland, on August 27, 1889.

On Short Visit

Mr. Joe Greer, formerly resident of this city, where he conducted a clothing store on Fort Street, paid a short visit to Victoria this week, accompanied by his son. Mr. Greer, who was also formerly in the clothing business in Prince Rupert, is now in this line in Edmonton and reports that business is very good in the Albian capital.

From Copenhagen

Mrs. Asta Roder has arrived from Copenhagen, Denmark, for a visit in Victoria and is the guest of Captain and Mrs. Thomas Thomson, Cedar Hill Road. Mrs. Roder was here about ten years ago, when her daughter attended St. Margaret's School, and has many friends who are welcoming her on her return.

Returns From Holiday

Miss Sheila McCabe returned to her home on Foul Bay Road yesterday after spending a three weeks' holiday up-island. Miss McCabe was at the Shawanigan Beach Hotel for two weeks, and later was the guest of Major and Mrs. Gibson, Cedar Bluffs, Mill Bay.

At Ben Bow Inn

Mr. John Russell, business manager of The Vancouver Daily Province, is again spending his vacation at Ben Bow Inn, Qualicum Beach. With him are Mrs. Russell, Ian Russell and Michael Downing.

Arrives From Vancouver

Mrs. Mayne Hamilton arrived from Vancouver yesterday afternoon to join her husband, who is playing in the seniors' golf tournament. Mr. and Mrs. Hamilton are staying at the Empress Hotel.

Here for Holiday

Miss Wilma Graham of the staff of the Regina Y.W.C.A. is spending a holiday with her parents, Mr. and Mrs. W. J. Graham, Brighton Avenue, Oak Bay.

From New Brunswick

Mr. and Mrs. T. S. Moffat, Saint John, N.B., are visiting Mr. Moffat's mother, Mrs. T. S. Moffat, 926 Heywood Avenue.

At Campbell River

Miss Joyce Stacey, Marigold, is visiting Mr. and Mrs. R. Masters, Campbell River, for two weeks.

Returning Home

After spending the past two weeks at the Shawanigan Beach Hotel, Miss

Joan Austin-Leigh will return to her home on St. David Street today.

Expected Home

Mrs. R. G. Monteith, Oak Bay Avenue, is expected home today after a few days' stay at "Kilmalu," Cowichan.

Nootka Hospital Now Has Modern Operating Room

The new unit of the Nootka General Mission Hospital, one mile west of Courtenay, West Coast fishing centre, was opened last Sunday. The hospital contains eight beds, which can be increased to twelve if the occasion arises. There is a modern operating room, sterilizing room, Swedish bath, massage, and a chapel.

Percy E. Wells, of the Shantymen's Mission, who is president of the hospital, dedicated the new unit and paid tribute to the fine work of Dr. H. A. McLean, who began working on the West Coast as a medical missionary two years ago. There are three nurses at present with Miss Gladys Godfrey, R.N., as matron.

People gathered at the hospital from many parts of the Coast, including Zeballos.

"John, I hope I didn't see you smiling at that girl."

"I hope you didn't, my dear."

Gay Bolero Princess Frock

By ANNE ADAMS

Pattern 4192

THIS simple, spirited Anne Adams bolero frock gives a big eye to all Summer's gay invitations. The molding principle of pattern 4192 shows off all the best angles of your figure—whether you're a size twenty or forty. There's perky fullness in the skirt and adroit softness in the over-the-bust waistline. Cut the neck demurely square or high. Make two dresses from this easy pattern—one in white pique or linen with ribbon trim, another in perhaps rayon crepe with ruffing. And add a tailored contrasting bolero and a wide crushed sash to match.

Pattern 4192 is available in misses' and women's sizes 12, 14, 16, 18, 20, 22, 24, 26, 28, 30, 32, 34, 36, 38 and 40. Size 16 dress, takes 3½ yards 39-inch fabric and 1½ yards contrast.

Send twenty cents in coin for this Anne Adams pattern. Write plainly size, name, address and style number.

FRENCH PLANES IN 'RAIDS' ON BRITAIN

preceded by scouting formations, heading for Bristol, Birmingham, Manchester, Oxford and Liverpool. At noon 100 bombers were sighted off the southern British coast flying low. Patrols of Royal Air Force fighters sped up to meet them. Pursued by the British machines, the French planes succeeded in bombing "certain points" on the coast before heading westward.

FLY HIGH OVER LONDON

After reaching objectives the first bombers flew over London mid-afternoon, flying high to avoid the balloon barrage which suspended steel cables designed to protect London from low-flying enemy raiders. Seventeen of them were sighted over the heart of the city.

Here they were joined by sixty French pursuit planes which protected their withdrawal operation to France. By 4:30 p.m. the raiders had reached their home bases.

meeting next month the decision to approve or disapprove of the plan. The three who supported the British position were a Briton, a Frenchman and a Portuguese.

The four commissioners against it were nationals of Switzerland, Belgium, Norway and the Netherlands. The members serve as individuals and not as representatives of their countries. Great Britain administers Palestine under a League mandate and the League must sanction any change in its terms.

TO SEEK APPROVAL

LONDON, Aug. 17 (CP).—Colonial Secretary Malcolm MacDonald disclosed tonight he would go before the League of Nations Council in Geneva next month to seek approval for the British Palestine plan which the Permanent Mandates Commission today refused to approve.

Government circles seemed not greatly disturbed over the commission's refusal, although it was admitted this was the first time there had been such a divided opinion on any major question.

Other quarters indicated that approval of the policy requires unanimous consent of the League council and that, judging by the way the mandates commission reacted, this might be difficult to achieve.

British officials said that, if the plan were rejected, either one of two courses would be open: 1. Alteration of the League mandate under which Palestine is governed or, 2. Alteration of the British plan to make it conform to the League's interpretation of the mandate.

A long memorandum which the Government sent to the League council in reply to the mandate commission's report took issue with the four members who held the plan was not in conformity with the League mandate, declaring "His Majesty's Government believe they are pursuing the fundamental aim of the mandate."

The memorandum also held the commission's failure to consider

political aspects of the Palestine question was responsible in large part for its refusal to approve the new policy. It said that Britain could understand the reasons which prompted members of the commission to leave political considerations out but "the council, like the mandatory power, must have regard of these matters."

Ballinger to Face Tustin in Today's Final at Oak Bay

Seattle Veteran Reaches Last Bracket in Grand Championship Against Spokane Golfer in Seniors' Tournament—Semi-Finals Close—Canada Wins International Match

Jack Ballinger, veteran Sound City golfer, who lost a thrilling nineteenth hole battle to Hon. John Hart, British Columbia Minister of Finance, back in 1926 at the Oak Bay Club, moved into the final of the grand championship of the seventeenth annual Seniors' Northwest Association tournament yesterday at the Victoria Club by scoring a 3 and 2 victory over Austin Gray, a town-made in the other semi-final, V. T. Tustin, a newcomer from Spokane, playing in his first seniors' meet, advanced by a similar margin over Beno Thatcher, Seattle. They will clash today for the crown won last year by "Dixie" Fleeger, formerly of Seattle, but now a resident of California.

Tustin sprang a mild surprise by defeating Thatcher, as the latter, one-time Washington State titleholder, was favored by many to march into the final. The Spokane veteran won the first hole, but the match was squared at the short second. The next four holes were halved, and then Tustin rallied to capture the next three with 4, 3, 3 to reach the halfway distance, holding a three-up margin. The tenth was halved and Tustin increased his lead by copping the next. The next two were halved and Thatcher stayed in the running by getting a birdie two at the short fourteenth, but the tussle ended on the next green when the players halved the hole.

Ballinger staged a grand comeback against Gray to win the decision after being two down at the turn. Gray took the fourth and seventh holes, and halved the other seven on the outgoing trip. Ballinger squared the battle by winning the tenth and eleventh with five. He won the thirteenth, fourteenth and the next, then halved the fifteenth and the match was all over.

Pinch-Hitter Comes Through With Hit, Which Wins Ball Game in First Extra Frame, 7-6—Cards Beat Pirates—Lefty Grove Beats A's, 7-1—Yankees in Close Victory

By The Canadian Press
Chicago White Sox prepared for their third-place American showdown series with Cleveland by nailing out Detroit yesterday, 2-1.

The Sox collected only four hits off Freddie Hutchinson and Dizzy Trout today, but one of them, a triple by Luke Appling, came in the fourth along with a base on balls, an infield out and an error to produce two runs.

New York Yankees squeezed out a 9-8 ten-inning victory over Washington Senators.
Atley Donald, the year's best rookie pitcher, was belted out of the box for the fourth consecutive time.

Behind gut-edge pitching by Lefty Grove, Boston Red Sox defeated the Athletics, 7-1.
Little Chet Laabs was St. Louis Browns' hero, doubling George McQuinn home in the tenth for a 6-5 victory over Cleveland Indians.

Working behind the five-hit pitching of Hugh Casey, the Dodgers trounced New York Giants, 5-1. The rookie right-hander lost a shutout in the sixth when Mel Ott hit his twenty-fourth homer of the season.

The red-hot Red Birds of St. Louis handed Pittsburgh its ninth consecutive defeat, 4-2. It was the fourth straight National League win for St. Louis and the sixteenth in the last eighteen starts.

For the second time this week, the Cincinnati Reds came from behind to win a ball game in the old Merriwell manner, downing the Chicago Cubs, 7-6, in the tenth inning after spotting them a four-run lead at the start. Rookie Dick West pinch singled Eddie Joost in the winning run.

BANFF EVENT ON SATURDAY
Annual Golf Tournament to Get Under Way—Victorians are Entered

VANCOUVER, Aug. 17—More than half a hundred Seattle, Vancouver, Victoria and Tacoma golfers will be boarding the Canadian Pacific's Mountaineer and Dominion here on Saturday night to take part in Banff Golf Week, August 21-26, over the mile-high Banff Springs Hotel course. There will be at least two carloads of Banff-bound golfers, some of the North Pacific Coast's best-known fairway figures will be making the trip to try for the Prince of Wales, Willingdon, Banff Springs Hotel, Chateau Lake Louise, Brewster Cup and Associated Screen News trophies, to say nothing of the host of lesser prizes at stake.

A golfing delegation which has swelled from a handful to thirty or more leaves Seattle on Saturday morning to connect with Saturday night's train out of here and includes big Ralph Whiskey, the sledge gun from Seattle's Broadmoor club, Whaley, an exceptionally long hitter, should fare well on Banff's long fairways. Others in the Seattle group are such well-known linksmen and women, as Joe Newberger, Paul Glazer, Mr. and Mrs. Clifford Moore, Mr. and Mrs. John Hamrick, Mr. and Mrs. B. F. Shearer, Alex Rose, and many others.

Vancouver will be represented by W. L. Charlton, director of the Pacific Northwest Golf Association; Mrs. Charlton, Mr. and Mrs. Jack Pattison, Mr. and Mrs. W. J. Strothers, Mr. and Mrs. Ted Wilkinson, Mr. and Mrs. W. E. Wright, Mr. and Mrs. Walter M. Carson, Mr. and Mrs. E. J. Chiswick, George and Mrs. E. J. Chiswick, and Mr. and Mrs. Harry R. Spence.

U.S. SHOTMAKER IS IN FRONT OF PACK WITH ROUND OF 67

Ranking American Shatters Par to Take Two-Stroke Margin in First Eighteen Holes of National Tournament at Saint John—Ralph Guldahl Well Up Near the Leaders

By SYDNEY GRUBSON
Canadian Press Staff Writer
SAINT JOHN, N.B., Aug. 17 (CP)—The men who laughed at Riverside's yawning bunkers and thick woods, had the laugh thrown right back at them today as par yielded only four times in the first round of the Canadian open golf championship, and Harold "Jug" McSpaden, a man who made no predictions, took a two-stroke lead of 67 on the field of eighty-two.

No fewer than seven had 74's, and back of this group, at 75, came two of the leading amateurs, Ross "Sandy" Somerville, of London, Ont., and Henry Martell, of Edmonton, finalist in the Canadian amateur and recent winner of the Ontario open.

Bonerville and Martell, both under 70 in practice, were far off their games. Sandy started into trouble on the second when he drove into a rock pile, and finished with six.

Martell, thoroughly disgusted after a disastrous 40, going out, said it was the worst medal round he had played at the start of any tournament.

He was wandering on the first nine, three-putted one green and topped two drives. He got three birdies coming home, but these were offset by a pair of fives.

PAR IS BEATEN
The general impression among the top-flight professionals after a few practice rounds had been that Riverside would be torn apart. Yet McSpaden, three times Massachusetts open champion, from Winchester, Mass.; Arthur Hulbert, of Toronto; Ralph Guldahl, of Madison, N.J.; and Ted Bishop, Boston amateur, were the only ones to break Riverside's exacting 70.

McSpaden, on a short course, where his great iron play is a strong factor, put together a 32 and 36 for 67 that left him two strokes ahead of Guldahl, the tournament favorite, who posted a 33 on the last nine; Hulbert, one of Canada's leading pros for several years, and Bishop, an unknown who started the gallery with his fine round.

The wind blew up in the afternoon and was as much to blame as anything for the generally first scores. Nicely in fifth place, and second amateur, Phil Farelly, of Toronto, shot two 35's and had Stan Horne, of Montreal, and Vic Ghezzi, of Deal, N.J., at his heels with 71's.

Ghezzi, who started with Guldahl as the choice for the \$1,000 first prize, shot his worst round of the week with 36-35-71. He had been in the 60's consistently in practice.

AMATEUR WELL UP
Bunched with 72's was a group of five professionals and one amateur, Jerry Gianferante, of Calais, Me. The pros were Jimmy Blumberg, of Halifax, leading Martindale, with 39-33; E. J. "Dutch" Harrison, of Little Rock, Ark.; Herman Barron, of White Plains, N.Y.; and Gordon Brydson and Bobby Burns, of Toronto.

Dick Berthwick, of Toronto, and Jules Huot, of Quebec, had illustrious company with 73's. Long-hitting Jimmy Thomson, of Shawinigan-Delaware, Pa., and Horton Smith, of Oak Park, Ill., finished that way, too.

Ray Gettiffe, of London, Ont., amateur, who fired a two-under 33 coming home; Bobby Gray, of Toronto; Leo Diegel, of Philmont, Pa., four times winner of the event, and Bobby Alston, of Ottawa, were tied with Bonerville and Martell.

In the pack-stretching back of the 75's were such good golfers as Bobby Cruickshank, of Richmond, Va., 38-39-71; Reg Samson, of Toronto, Ont., both with 40-37-77; Jack Lutter, of Ottawa, 36-40-76; and John Thoren, Boston, 39-38-77.

Score follow:
Joek Anderson, Fairville, N.B., 38-39-78.
Jimmy Walker, Summerside, P.E.I., 45-43-86.
G. M. Atkins, Halifax, 44-38-82.
D. W. Wallace, Fredericton, 43-37-80.
Ernest Butler, Dartmouth, N.S., 45-47-92.

Vancouver will be represented by W. L. Charlton, director of the Pacific Northwest Golf Association; Mrs. Charlton, Mr. and Mrs. Jack Pattison, Mr. and Mrs. W. J. Strothers, Mr. and Mrs. Ted Wilkinson, Mr. and Mrs. W. E. Wright, Mr. and Mrs. Walter M. Carson, Mr. and Mrs. E. J. Chiswick, George and Mrs. E. J. Chiswick, and Mr. and Mrs. Harry R. Spence.

Wall Street Has Dull Session of Listless Trading

NEW YORK, Aug. 17 (AP)—Selling dwindled to almost nothing in today's stock market but the rallying urge was lacking and leading issues finished slightly under water.

Heightened German-Polish tension over Danzig, combined with the growing British-Japanese Far Eastern rift, again were blamed by brokers as the principal buying handicaps.

Traders generally refused to place any extensive bets on future foreign happenings and the majority resumed a do-nothing attitude toward the list. Business prospects were still more hopeful than otherwise, but these apparently provided scant stimulation marketwide.

The list started out with a mildly lower trend and, despite one or two recovery attempts, never really got anywhere. Only a handful of favorites managed to contest the drift and emerge with modest gains.

The Associated Press average of thirty stocks was off 1.1 of a point at 481. Transfers of 442,000 shares compared with 640,010 yesterday, and were the smallest for a five-hour session since July 11.

Ending behind minus signs were U.S. Steel, Bethlehem, Youngstown, U.S. Rubber, Western Union, American Telephone, Santa Fe, Great Northern, Phillips Petroleum, Westinghouse, Union Carbide, Montgomery Ward, Philip Morris, Anacosta and Douglas Aircraft.

Up a trifle were Chrysler, Phelps Dodge, Sears Roebuck and Allied Chemical.

Foreign government issues led the downward march of bonds today in a retreat which extended even to the United States Government list.

Belgian, German and Japanese dollar loans bore the brunt of the selling force.

Declines in the United States Government securities ranged as high as 11-32 point.

SAYS BUSINESS MEN IN ERROR

New York Professor Thinks Industrialists' Complaints Unsound

Statements by American "big business" men to the effect that the Roosevelt administration was acting as a serious depressant on industry have little basis in fact, according to Dr. Irwin Edman, Professor of Philosophy at Columbia University, New York, who arrived in Victoria for a short stay yesterday.

"Industrial leaders in the United States are always going off half-cocked with some remark blaming Roosevelt for all America's unemployment and business problems," Dr. Edman said. "Such statements are commonplace, but there isn't much evidence to support them."

"What our industrialists forget is that there were millions of unemployed in the United States in 1929, at the height of the boom period, before Roosevelt came into power. It is not sensible to attribute all our trouble to the present administration."

THIRD TERM

Questioned as to whether he thought President Roosevelt would stand a good chance of return if he ran in the 1940 presidential elections, Dr. Edman said that he considered the American prejudice against returning a president for a third term to be very deep-seated, and he doubted whether President Roosevelt could overcome it. He thought the President might be forced to retire from the Democratic Party lead.

He did not believe that either Unemployment Administrator McNutt, of the Democrats, or New York's prosecuting attorney Dewey, of the Republicans, who are consid-

ered probable nominees for the presidency, had the qualifications to fill the office of United States president.

Dr. Edman is prominent in both English and American philosophical circles. He is the author of the widely-read "Philosopher's Holiday" and the more technical "Four Ways of Philosophy," which appeared four years ago. He has also written other books on similar subjects.

"TREMENDOUS"—ORIGINALLY SOMETHING TO TREMBLE AT

It is not often that we see and hear used the word "tremendous" in the sense other than that of "extremely large"—a sense which is quite secondary and disregards its intrinsic meaning.

The English "tremendous" is the Latin tremendus, something to tremble at, from tremere to tremble. Our customary usage derives from the days when fear and trembling were associated particularly with things of great monstrous and overpowering proportions.

When man advanced to the stage where he appreciated the hegemony of brain over brawn, the word "tremendous" shed its connotation of terror and dread, retaining in general currency the idea of magnitude only.

It happened at the London Zoo one fine bank holiday. From the almost solid mass of people on one side of the elephant walk there darted a very small boy who paused, bun in hand, right in the track of the big elephant.

Just as the animal extended his trunk to take the bun there came a harassed voice from the crowd: "Mind Willie! Mind 'e don't sting yer."

G. W. ALLISON NAMED AZIM

Is Given Imperial Office in Knights of Khorassan—To Meet in Victoria

George W. Allison, Victoria, was elected imperial azim of the Dramatic Order of the Knights of Khorassan at the imperial palace convention, held recently at Boise, Idaho. This is only the second time that any Canadian has ever been elected to the imperial council. The next convention in 1941 will be held at Roanoke, Virginia.

The other imperial officers elected for this term were as follows: Imperial prince, W. Thomas E. Payne, Roanoke, Virginia; Imperial basha, Judge C. J. Blinn, Cleveland, Ohio; imperial secretary, A. L. Frey, Columbus, Ohio; imperial treasurer, E. A. Townsley, Cincinnati, Ohio; imperial adool, Adolph Steindler, Milwaukee, Wisconsin; and imperial ikhn, Fred J. Johnson, Portland, Oregon.

The imperial secretary, A. L. Frey and Mrs. Frey, who is imperial scribe to the ladies' auxiliary, passed through Victoria on Tuesday on their way home to Columbus, having visited Portland, Seattle and left for Vancouver and Jasper Park on the midnight boat. Mr. Frey expressed pleasure that Victoria had been selected by the Pacific Northwest convention next year and felt sure that Victoria would put it over in a big way. The Pacific Northwest Association of D.O.K.K. Temples is composed of all temples located in Montana, Idaho, Oregon, Washington and British Columbia, delegates from all of these states being in attendance at the session held in Boise. The newly elected imperial azim was also elected president of this association and will preside over the sessions to be held in Victoria.

The highlight of the imperial convention was the success of a newly organized drill team of young ladies belonging to the Santha of the Nomads of Avraduka, located in Nelson, B.C. This ladies' temple of the order was organized only last Fall, but in competitive drill team at the Columbus, Ohio, team in the final; the Columbus team had never been beaten in the last fifteen years. The Nelson ladies scored 97 out of a possible 100 points. It is fully anticipated that this team will be called to attend the convention in Victoria next August.

Metal Marker to Identify Courier On Rural Routes

As a means of identifying rural mail couriers while in performance of duty a special metal marker will be issued to each courier, the Hon. N. A. McLarty, K.C., M.P., Postmaster-General, announced yesterday.

These markers are approximately the same size as automobile license plates, to which they will be attached by three couriers operating motor vehicles.

The marker will display the Royal Crown and words "Rural Mail." When the vehicle is not actually being used to carry the mails, the marker must be removed and the blank side shown.

The Rural Mail Carriers' Association, which had asked for the identification plates, unanimously approves the new marker.

Daughter: "The girl who hesitates is lost."
Father: "Nonsense, she's extinct!"

marker must be removed and the blank side shown.

Little Stories for Bedtime

Buster Bear's Paw Gets Worse

By THORNTON W. BURGESS

Isn't it funny how you forget your troubles when you are badly frightened? You remember that Buster Bear had a sore paw because one of Prickly Porky's little spears was in it and Buster couldn't get hold of it and "put it out." Right up to the time when he had heard Farmer Brown's Boy coming, Buster had limped. In fact, he had taken very great care in putting that paw on the ground.

But the instant he heard Farmer Brown's Boy coming through the Green Forest, Buster forgot all about that paw. He disappeared among the trees of the Green Forest, so fast that no one ever would have suspected that there was anything the matter with him. To be quite truthful Buster himself forgot all about it. He didn't once feel the pain until he had reached the deepest part of the Green Forest and had listened until he was sure that Farmer Brown's Boy was not following him. Then as he lay down to rest a little he became aware that the paw was very sore indeed. Using it as he did running away from Farmer Brown's Boy had made it a great deal worse.

"Oh, dear!" whimpered Buster. "Oh, dear! Pretty soon I shall have to walk on three legs. And however am I going to dig up roots with a paw as sore as this?"

He licked it tenderly with his tongue, which you know is quite the proper thing to do among the four-legged people of the Green Forest. Then he tried to get hold of the quill with his teeth. But try as he would he couldn't. The paw ached

The paw ached so that when he tried to take a nap he couldn't sleep.

so that when he tried to take a nap he couldn't sleep.

The next day Buster was going about on three legs most of the time. The paw had become so sore that he held it when he walked. When he wanted to dig out roots to eat and to tear open old stumps in search of ants, of which he is very fond as you know, he had to put that paw on the ground in or-

der to use the other one. It quite spoiled Buster's enjoyment of his meals. Nothing tasted good. How could it when all the time there was that dreadful ache in his paw?

Now, of course, all this made Buster very cross. He just couldn't help being cross. You know how you have felt when you have had a tooth ache. You didn't want to be spoken to by anybody. It was just the same way with Buster. He, who usually is so good-natured, was so cross morning, noon and night, that no one dared come anywhere near him. He snarled and growled at the least little thing. His best friends kept away from him.

Instead of getting better as the days went on Buster's paw grew worse. You see that little spear, which you and I would call a quill, kept working deeper and deeper into the flesh, which is a way that Prickly Porky's little spears have a way of doing. This is why they are so much dreaded by the other people of the Green Forest. It had worked so far in that there was very little to get hold of now. Only just the end of it was sticking out. Buster bear was quite in despair.
